

2017 Rhode Island Mapping Competition

- ◆ **What:** An online GIS map making contest
- ◆ **Dates:** February 13, 2017 to May 15, 2017
- ◆ **Who is eligible:** Rhode Island public, private, or home-schooled students are eligible to enter the contest. Maps can be submitted individually or as a team of two students. Limit of one entry per student or team.

Middle School Division - grades 6 - 8
Senior High Division - grades 9 - 12

- **Challenge:** Your challenge is to create an original Rhode Island based map on a topic of interest or concern to you. The area mapped can range from the entire state to a smaller area, like a county or city.
- **ArcGIS Online Requirement:** You must use ArcGIS Online organizational account to create your original map. Submissions must include the name of the student or team and students names as well as teacher/school or home school educator. Your final map must be submitted to the rimapcomp website listed below; in one of the following formats:

ArcGIS Online Presentation
ArcGIS Online Web App
ArcGIS Online Story Map

Your final submission will need to be submitted by 12 noon on May 15, 2017.

ArcGIS Online is available to any K-12 school in the United States free of charge from ESRI; see <https://esri.app.box.com/connectedpdf> for access to software and guidance. Your school will need to sign up for a free ArcGIS Online organization account so you can create and submit your final map.

Prizes: The five maps judged the best in each division will be awarded a \$100 prize.

Middle School Division - grades 6 - 8
Senior High Division - grades 9 - 12

Top five state winners in each division and their teachers will get a RI State Championship T-shirt.

Note: Teams spanning grade levels will be entered in the division of the student at the upper grade.
Award-winning maps will remain visible to the public for one year.
